**LEVERAGING CULTURALLY RESPONSIVE TEACHING WITH ZARETTA HAMMOND | SEPT 20, 8:30AM-3:30PM @ LANE COMMUNITY COLLEGE DOWNTOWN:** For teams of instructors, instructional coaches, TOSAs, and teacher leaders. Teams will have the opportunity to work together in the afternoon for a deeper dive into CRT strategies and principles.

**BUILDING EDUCATOR ASSESSMENT LITERACY | SEPT 26, 8:30AM-3:30PM @ LANE ESD:** Instructors will consider where performance assessments fit in a balanced assessment system as well as build a common understanding of what proficiency looks and sounds like. Contact [moakes@lesd.k12.or.us](mailto:moakes@lesd.k12.or.us) for more information.

**OREGON ED TECH CADRE MEETING 1 | SEPT 27-28 @ LANE ESD:** Educators who lead, coach and/or provide PD around technology integration in their schools, districts or ESDs are invited to apply to the 2017-18 Oregon Ed Tech Professional Development Cadre. Application is available online, or for more information contact [carla.wade@state.or.us](mailto:carla.wade@state.or.us).

# OCTOBER

**STUDYING SKILLFUL TEACHING MODULE 1 | OCT 3, 8:30AM-3:30PM @ LANE ESD:** The Lane County Studying Skillful Teaching Consortium has added several new opportunities for the fall. This one-day module is a prerequisite for all additional modules. Contact moakes@lesd.k12.or.us or see [lesd.k12.or.us/sst/index.html](http://lesd.k12.or.us/sst/index.html).

**INTRO TO NGSS AND PROJECT-BASED LEARNING WORKSHOP | OCT 3-4, 4-5 PM @ LANE ESD:** Rural science teachers without NGSS-aligned curriculum have an opportunity to gain standards, curriculum and pedagogy knowledge, and supplies, plus a \$250 stipend, PDU's and sub reimbursement. Space is limited, contact mahearn@lesd.k12.or.us.

**STUDYING SKILLFUL TEACHING DIFFERENTIATED CONFERCING | OCT 4-5, 8:30AM-3:30 PM @ LANE ESD:** Presented by Mary Ann Haley-Speca and Deb Reed. For administrators, supervisors, and coaches to develop the knowledge and skills to conduct meaningful and actionable conversations with teachers who are at different levels of professional maturity. Contact moakes@lesd.k12.or.us for more information.

**EXPERIENCE OREGON MANUFACTURING | OCT 6, 9AM-1:30PM @ LOCAL COMPANIES:** Elevate Lane County, in partnership with Career and Technical Education, will host junior and senior students from across Lane County as they tour local food production or wood products manufacturers in order to learn more about career pathways in manufacturing. Contact plauf@lesd.k12.or.us for more information.

**CAREER EXPLORATION EXPO| OCT 12, 9AM-3PM @ LANE COUNTY FAIRGROUNDS EVENTS CENTER:** Eighth and ninth grade students from across Lane County will attend a Career Exploration Expo at the Lane County Fairgrounds featuring over 50 different local companies. Businesses may contact mmartin@lesd.k12.or.us for more information.

**NORTHWEST MATHEMATICS CONFERENCE | OCT 12-14 @ RED LION JANTZEN BEACH:** The Northwest Mathematics Conference returns to Portland, Oregon with over 100 sessions and workshops. Schedule and registration information can be found at [nwmc2017.sched.com](http://nwmc2017.sched.com).

**CURRICULUM LEADERS SYMPOSIUM | OCT 17, 10-11:30AM @ LANE ESD:** Trauma informed instructional practices & prevalence measurement, presented by Dr. Jeff Todahl and Phyllis Barkhust, University of Oregon. Also featuring a systemic approach to implementing trauma informed instructional practices by Superintendent Chris Parra and her team.

**EXPERIENCE OREGON TECH | OCT 18, 11:30AM-3PM @ LOCAL TECH COMPANIES:** Elevate Lane County, in partnership with the Technology Association of Oregon, will host high school juniors and seniors as they tour three local tech companies in order to learn more about career pathways in computer science. Contact emaloney@lesd.k12.or.us for more information.

### **STUDYING SKILLFUL TEACHING MODULE 2 | OCT 26, 8:30AM-3:30PM @ LANE ESD:**

This three-day module supports teachers as they apply the areas of performance, repertoire and matching to planning, objectives, formative assessment, criteria for success, and protocols for analyzing student work. This module continues November 16 and December 11. Contact moakes@lesd.k12.or.us or see [lesd.k12.or.us/sst/index.html](http://lesd.k12.or.us/sst/index.html)

**MATH CIRCLE | OCT 26, 4:30-6:30PM @ ROARING RAPIDS PIZZA:** Math Circles are professional learning communities of K-12 teachers and higher education faculty who work together on rich mathematics problems, discuss problems of practice and have some fun. The Math Circle group will meet five times this upcoming school year at various locations. For more information, contact rchilds@lesd.k12.or.us or mahearn@lesd.k12.or.us.

**MATH CURRICULUM & PEDAGOGY PROFESSIONAL DEVELOPMENT | BY REQUEST @ YOUR SCHOOL:** Need support for math teachers in engaging students with rich tasks, supporting math discourse, implementing a new curriculum, integrating culturally sustaining lessons? Reach out to your Lane ESD Math Specialists! Sessions catered to your district's needs. For more information, contact mahearn@lesd.k12.or.us, rchilds@lesd.k12.or.us, or epifer@lesd.k12.or.us.

**ELEVATE LANE COUNTY INTERNSHIPS & JOB SHADOWS | BY APPLICATION @ LOCAL COMPANIES:** High school students interested in pursuing internships or job shadows with local area businesses this fall can apply via [elevatelanecounty.org](http://elevatelanecounty.org) this October. For more information, consult our website or email [emaloney@lesd.k12.or.us](mailto:emaloney@lesd.k12.or.us).

## NOVEMBER

**APPRENTICESHIP TRADES ACADEMY OPEN HOUSE | NOV 2, 5:00-6:30PM @ TBD:** For Lane County students, parents, teachers, counselors, and administrators to learn more about the 2018 Trades Academy Youth Training and get one step closer to high-wage and high-demand professional careers in the building trades. For more information, contact [plauf@lesd.k12.or.us](mailto:plauf@lesd.k12.or.us).

**STUDYING SKILLFUL TEACHING MODULE 5 | NOV 8, 8:30AM-3:30PM @ LANE ESD:** How can we design learning experiences to maximize student engagement and increase the rate and durability of learning for students? This is the focus question for a one-day exploration of 24 research-based principles of learning that can be applied and embedded in everyday lesson design. Please contact moakes@lesd.k12.or.us or see [lesd.k12.or.us/sst/index.html](http://lesd.k12.or.us/sst/index.html)

**LANE SCIENCE PROJECT: K-5 SCIENCE AMBASSADORS | NOV 18, 9AM @ THE INTERNET:** Your Lane County Science Ambassadors will continue their investigation of the NGSS and culturally responsive instructional practices. Session closed to Science Ambassadors that attended our 4 day summer kick-off event. Stay tuned for future opportunities open to more Science educators! For more information, contact [mahearn@lesd.k12.or.us](mailto:mahearn@lesd.k12.or.us).

# DECEMBER

**UOTEACH EQUITY & SOCIAL JUSTICE TEACH-IN PROGRAM | DEC 2 @ UNIVERSITY OF OREGON:** A collaboration with UOTeach, district equity partners, and the ODE Equity Unit in which K-12 teachers share resources, practices, and examples from their everyday work to bring together the best of culturally sustaining instructional theories and everyday classroom teacher practice. To share your work in a session, please submit an online proposal submission form. For more information, contact [jheffern@uoregon.edu](mailto:jheffern@uoregon.edu) or visit [education.uoregon.edu/education-studies/teach-in-program](http://education.uoregon.edu/education-studies/teach-in-program).

**PERENNIAL MATH TOURNAMENT FOR GRADES 3-8 | DEC 2, 8AM-12:30PM @ CRE-SWELL MIDDLE SCHOOL:** The Perennial Math Competition consists of an individual test which is a thirty-minute session with 15 problems and a twenty-minute session with 10 word problems and teams work together. Individual and Team Awards are given at each individual grade level and all participants receive a certificate of participation. Registration deadline is November 20. See [perennialmath.com/files/1504404477Creswell\\_OR\\_Math\\_Tournament\\_2017.pdf](http://perennialmath.com/files/1504404477Creswell_OR_Math_Tournament_2017.pdf).

**CURRICULUM LEADERS SYMPOSIUM | DEC 12, 10-11:30AM @ LANE ESD:** Topic for this month is School Based Blended Restorative Practices and Positive Behavioral Intervention Supports: Embedding an inclusive culture of reciprocal relationships and shared responsibility to enhance academic and behavioral performance of each and every student.

**CODER-IN-RESIDENCE TRAINING | TBD @ LANE ESD:** Lane STEM and Coder Dojo will host educators and industry representatives chosen to participate in the Coder-In-Residence program at Lane ESD in December. CIRs will supplement digital literacy curriculum in Grades 4-5 across Lane County. Contact [emaloney@lesd.k12.or.us](mailto:emaloney@lesd.k12.or.us) for more information.

**STEM YOUTH ADVISORY COUNCIL | TBD @ LANE ESD:** Students in grades 9-12 can apply to become the first STEM Youth Ambassadors in Lane County. Applications due in December with the first council meeting in January 2018. For more information, see [lanestem.org](http://lanestem.org) or contact [emaloney@lesd.k12.or.us](mailto:emaloney@lesd.k12.or.us).

## **SAVE THE DATE!**

**CONNECTED LANE COUNTY WINTER CELEBRATION | JAN 24, 12-2PM @ UO FORD ALUMNI CENTER:** Join Connected Lane County for the second annual winter celebration luncheon, in which we honor all the achievements of the previous calendar year and those to come.

**EDUCATION AND THE ECONOMY COURSE (FOCUS ON HOSPITALITY) | JAN-MAR 2018 @ TBD:** The Lane County Employment & Economy Course is an innovative program to educate area teachers and school staff about local industries, their workforce needs, and the role they play in the economy at the county, regional, national, and even the international level.
