

LANE ESD 2018 WINTER EVENTS

JANUARY-FEBRUARY

STUDYING SKILLFUL TEACHING MODULE 3, DAY 1: MAKING STUDENT THINKING VISIBLE | JAN. 18, 8:30-3:30PM @ LANE ESD: The goal of this three-day course is establishing a student-centered talk environment in the classroom where all students develop a deep understanding of concepts/skills being taught by participating in class discussions. Continues on February 20 and March 22. Go to <http://www.lesd.k12.or.us/sst/index.html> for more information.

WINTER CELEBRATION | JAN. 24, 12-2PM @ UNIVERSITY OF OREGON FORD ALUMNI CENTER: Join Connected Lane County, Lane STEM and the Early Learning Alliance in celebrating accomplishments of 2017. Seating is limited, please RSVP to mmartin@lesd.k12.or.us.

PICTURE PERFECT STEM ONLINE COURSE | JAN. 31, 7-9PM: Picture-Perfect STEM combines elementary literacy, science, technology, math and engineering into one program. This \$175 course includes 10 hours of content, 3 2-hour sessions with the program creators and 2 2-hour sessions with a facilitator, as well as e-books and the option for graduate credit. Contact Ruth McDonald: ruth.mcdonald@lincoln.k12.or.us for info.

REACH HIGHER APPRENTICESHIP PANEL | FEB. 8, 4-6:30PM @ LANE ESD: Counselors, career, and college staff are all invited to listen to a series of panels pertaining to apprenticeship opportunities for graduating high school students. Dinner will be served, please RSVP at bit.ly/ReachHigherFeb. Contact emaloney@lesd.k12.or.us for more information.

MATH CIRCLE | FEB. 8, 4-6PM @ LANE ESD: Math Circles are professional learning communities of K-12 teachers and higher education faculty who work together on rich mathematics problems, discuss problems of practice and have some fun. Contact rchilds@lesd.k12.or.us for more information.

Instruction | Equity | Partnerships Contact: Carlos Sequeira, Executive Director (csequeira@lesd.k12.or.us)

FEBRUARY

STUDYING SKILLFUL TEACHING MODULE 2 DAY 1: ESSENTIAL ELEMENTS OF UNIT/LESSON DESIGN | FEB. 13, 8:30-3:30PM @ LANE ESD: This three-day course applies backward design to planning, objectives, formative assessment, criteria for success, analyzing student work, effective feedback, and aligning instruction to ensure student success. Continues on March 13 and April 24. Go to <http://www.lesd.k12.or.us/sst/index.html> for more information.

CURRICULUM LEADERS SYMPOSIUM | FEB. 20, 9-11:30AM @ LANE ESD: This month's curriculum leader's meeting is focused on district's implementation of the Next Generation Science Standards (NGSS). Districts will share progress on professional development plans, course sequencing, curriculum adoptions and resources will be shared by state-wide experts.

STUDYING SKILLFUL TEACHING MODULE 3, DAY 2: MAKING STUDENT THINKING VISIBLE | FEB. 20, 8:30-3:30PM @ LANE ESD: Continued from January 18th (Day 3 to be held on March 22nd).

MATHEMATICAL MODELING FOR HS TEACHERS | FEB. 23, 8:30AM-3:30PM @ LANE ESD: Modeling Math? Mathematical Modeling? Calling all high school math teachers to come and learn about this important distinction. This PD is a part of Lane ESD's series preparing teachers for the new math HS math standards in 2020. Contact mahearn@lesd.k12.or.us for more information.

CITY CLUB OF EUGENE: MOZILLA GRANTEES | FEB. 23, 12-1:30PM @ UNIVERSITY OF OREGON'S BAKER CENTER: The public is invited to attend or listen to Lane STEM discussing the Coder-in-Residence program, for which Mozilla funded 30 "Gigabots" to teach 4th and 5th grade students computer programming. Contact hlarwick@lesd.k12.or.us with questions.

RETHINKING MATH ACCELERATION PRACTICES | FEB. 27, 8:30AM-3:30PM @ LANE ESD: Combining data, research and the increased rigor in the math standards, there is a need for course analysis and correction. This session will provide an overview of ideas and options for districts to use to "re-think" acceleration routes. To register, go to: <http://www.lesd.k12.or.us/workshops/listings>.

STUDYING SKILLFUL TEACHING MODULE 5: PRINCIPLES OF LEARNING | FEB. 28, 8:30AM-3:30PM @ LANE ESD: This one-day course is designed to explore 10 principles of learning that can be strategically applied to most learning experiences with the goal of increasing the effectiveness and efficiency of the lesson. See <http://www.lesd.k12.or.us/sst/index.html>.

MARCH

STUDYING SKILLFUL TEACHING MODULE 4, DAY 1, HIGH EXPECTATIONS TEACHING | MAR. 6, 8:30-3:30PM @ LANE ESD: This 3-day course is grounded in growth mindset, brain malleability, and effective effort. Everyday classroom routines are identified as opportunities to send high-expectation messages to students regarding their capacity to learn at high levels. Continues on April 3 and May 6. For more information, go to: <http://www.lesd.k12.or.us/sst/index.html>.

LEADERSHIP SEMINAR ON MATHEMATICS P.D. (TDG) | MAR. 7-10, PORTLAND: The seminar brings in nationally-recognized speakers who will present their latest research and thinking about professional development that yields rigorous learning, meaningful teaching, impactful coaching, and powerful leadership. Schedule and registration: <https://www.teachersdg.org/default.htm>.

STUDYING SKILLFUL TEACHING MODULE 2, DAY 2, ESSENTIAL ELEMENTS OF UNIT/LESSON DESIGN | MAR. 13, 8:30-3:30PM @ LANE ESD: Continued from February 13. (Day 3 to be held on April 24.)

NUMBER TALKS FOR K-12 | MAR. 13, 8:30-3:30PM @ LANE ESD: The Number Talks workshop trains teachers in an instructional routine that develops student agency and voice as they improve their number sense and mathematical fluency. This is a four-part series with the potential for graduate credit.

SPRING JOB SHADOW & INTERNSHIP | DEADLINE MAR. 15: High school students should submit their applications for spring job shadows and internships (mid April-beginning of June) by March 15, 2018. | Contact emaloney@lesd.k12.or.us for more information.

CURRICULUM LEADERS INFORMATION MEETING | MAR. 20, 10-11:30AM @ LANE ESD: Curriculum Leaders from Lane ESD component districts will share information, discuss topics and concerns unique to their own districts. Please email the topics and concerns you'd like to address ahead of time to csequeira@lesd.k12.or.us.

STUDYING SKILLFUL TEACHING MODULE 3, DAY 3, MAKING STUDENT THINKING VISIBLE | MAR. 22, 8:30-3:30PM @ LANE ESD: Continued from January 18th and February 20th.

COMPUTER SCIENCE REGIONAL ADVISORY BOARD MEETING: The third quarterly meeting of the CS Regional Advisory will meet in March with a time and location to be announced. Contact hlarwick@lesd.k12.or.us for more information.

APRIL

STUDYING SKILLFUL TEACHING MODULE 4, DAY 2: HIGH EXPECTATIONS TEACHING | APRIL 3, 8:30-3:30PM @ LANE ESD: Continued from March 6. (Day 3 to be held on May 8, 2018)

ELEVATE LANE COUNTY JOB FAIR | APRIL 12, 9-2PM @ BOB KEEFER CENTER, SPRINGFIELD (FORMERLY WILLAMALANE): Graduating high school seniors can attend this event with the opportunity to distribute resumes and obtain interviews from local businesses who are hiring. Contact hlarwick@lesd.k12.or.us for more information.

CURRICULUM LEADERS SYMPOSIUM: CTE/STEM SUMMIT | APRIL 17 9-11:30AM @ LANE ESD: All districts invited to this event. Contact csequeira@lesd.k12.or.us for more information.

EXPERIENCE OREGON HEALTH - TOUR OF MCKENZIE-WILLAMETTE MEDICAL CENTER | APRIL 20, 9-12:30PM, MEET AT VALLEY RIVER CENTER: Junior and senior students interested in health occupations will tour McKenzie-Willamette Medical Center. For more information, contact emaloney@lesd.k12.or.us

STUDYING SKILLFUL TEACHING MODULE 2, DAY 3: ESSENTIAL ELEMENTS OF UNIT/LESSON DESIGN | APRIL 24, 8:30-3:30PM @ LANE ESD: Continued from February 13 and March 13.

MATH AND CTE FOR GRADES 6-12 | HELD ONCE IN MARCH, APRIL, AND MAY, 4-5:30PM @ KALAPUYA H.S.: Engage and inspire students to learn mathematics! Bruce Weinberg leads participants in methods and curriculum that integrate CTE tools into mathematics curriculum. Stay-tuned for specific dates. Contact mahearn@lesd.k12.or.us

SAVE THE DATE!

EXPERIENCE OREGON TECH | MAY 17TH, 9AM-1PM, MEET AT VALLEY RIVER CENTER: Junior and senior students interested in careers in tech will tour several local tech companies on our third EOT. For more information, contact emaloney@lesd.k12.or.us

CURRICULUM LEADERS INFORMATION MEETING | MAY 15, 10-11:30AM @ LANE ESD: Curriculum Leaders from Lane ESD component districts will share information, discuss topics and concerns unique to their own districts. Please email the topics and concerns you'd like to address ahead of time to csequeira@lesd.k12.or.us
